LETTER OF RECOMMENDATION

Dear Sir,

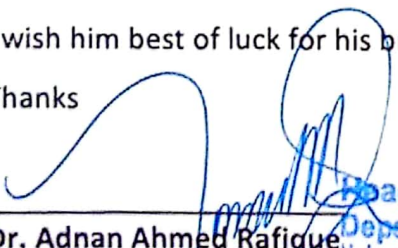

With pleasure I bring my high recommendation of **Mr. Muhammad Daniyal S/O Muhammad Rasheed** for consideration of MS program in your University. He is ex-student of mine at Department of Computer Sciences & IT, Faculty of Basic & Applied Sciences, University of Poonch, Rawalakot who successfully passed BS Software Engineering in 2023. His courses were in English. Always an attentive student, he contributed to class discussion and offered his knowledge to myself and his fellow students.

He seemed curious during the class lectures and filled exposures. He always shared his amazing ideas and knowledge. Due to his helping nature he supported the classmates in group task with energy and potency. He was pro-active in his pursuit of understanding an assignments and seeking out input and resource to excel at each assignment.

I am confident that **Mr. Muhammad Daniyal** will meet the merit of your reputable university, and will ensure all expectations set forth by him. His inquisitive persona along with his desire to be actively engaged will bring academic excellence to any project of program. Due to his maturity, curiosity, creativity in view of seeking knowledge I strongly recommended **Mr. Muhammad Daniyal** for admission as well as financial aid at your university.

I wish him best of luck for his bright future.

Thanks

Head of Department
